Four new Mustangs are finding a home on campus this fall, thanks to a generous anonymous donor. They arrived here from Sun Studios in Half Moon Bay, and are made of ferrous metal so they will rust on purpose—it gives them character. The large ones at the high school are being called “Rusty” and “Tetanus” by their fans this summer. The smaller ones in front of the middle school office are unnamed so far.

Cheer Camp Awards

Our Cheer Team came away from this year’s National Cheerleaders Association Camp at UCSC with more than 20 ribbons, awards, certificates, and trophies. Among these awards were:

The SPOT certificate for displaying excellent techniques in safety, spotting, and stunt technique.

The 1st Place Champion Chant Trophy for performing a new chant they learned during the week. This award gives our team members the opportunity to travel to one of the NCA Special Events.

The 1st Place Performance Top Team Trophy for exemplifying the best cheerleading technique, skill incorporation, and performance ability. This award also gives our team members the opportunity to travel to one of the NCA Special Events.

All American Nominees, for displaying superior cheerleading techniques in areas like jumps, tumbling, and leadership: Alex Aldridge, Gaby Cabalza, Colette Menezes, Hayley Peterson, Sara Reichel, Sabrina Rose, Issy Swing, and Paige Williams.

All American Team members, based on their scores: Alex Aldridge, Hayley Peterson, Sabrina Rose, and Issy Swing.

The NCA All American Medal went to Alex Aldridge, as the highest scoring All-American tryout at Camp. Alex also received the high honor of being invited to be an NCA instructor after she graduates—one of only two girls selected from this year’s camp.

Each day during the week, Monte Vista received the Spirit Stick, given to the squad showing the most sincere spirit and enthusiasm for the day, along with leadership, cooperation, and relationships with other squads.

At the end of the week, our team won the Spirit Award as the squad who added the most spirit to camp all week. This award was voted on by all of the other squads at camp.

“Our girls did an awesome job,” says Coach Estee Martin. “They worked hard all week, and made new friends, too. We had a big turnout of parent support on Awards Day, and it was great to see our JV Cheer Team come out to support us.”

Coach Estee received some certificates, too, though she’s too modest to mention them. She successfully completed the NCA Coach Credentialing Program and was selected as the Most Outstanding Veteran Coach/Director. Also, as no surprise to anyone who knows her, Coach Estee was selected as the Most Congenial Coach/Director at the camp.
