MS BACK TO SCHOOL NIGHT ON SEPTEMBER 13

There will also be a 30 minute group presentation to give you an overview of Focus, electives, the exploratory classes, and our music program.

SPEAKER ON SEPTEMBER 14 - CHAPEL

At our high school assembly on Wednesday, September 14, Dr. Jason Brand will speak on integrating iPad technology into our lives. He says, "The iPad that each student has received offers a new way to learn. It is also a way to connect with friends and entertainment. To really get the most out of the iPad, students need to make good choices in their use of this powerful tool (that is also a toy). This assembly is about avoiding conflicts at home when it comes to the new iPad and navigating the social and emotional aspects of living in a digital culture."

The assembly will be from 11:30 to 12:15. Parents are invited to attend--please park in the student lot, and a greeter will be on hand at the front gate to let you in so that you can pick up a visitors badge at the front desk.
