WINTER BALL WILLOW HEIGHTS MANSION

IPAD USERS TAKE NOTE

We would like to remind parents that the iPad contract states that as soon as any damage occurs to an iPad, it must be immediately reported. Unfortunately, many students are failing to report damage, or are late in doing so, which often results in further damage to the iPad. We ask parents to be on watch for any slight damage, especially to the glass, and also to enforce the use of iPad covers, as we have found a proper cover can greatly reduce the chances of damage.

Monte Vista reserves the right to deny coverage for damage that goes unreported for seven days. Please report any damage, no matter how small, immediately. Doing so increases the likelihood that the damage will be a covered repair.

CAST LIST

FINANCIAL AID AND SCHOLARSHIP APPLICATIONS DUE SOON

The deadline to apply for Financial Aid/Leadership Scholarships for the 2012-2013 school year is February 17, 2012. If you received financial aid or a scholarship for this current school year, you must re-apply for the 2012-2013 school year. If you would like to apply now for financial aid or a leadership scholarship for next year, please go to <http://www.mvcs.org/financialaid> (rules and restrictions are also described there). For more information, contact Peter Gieseke at (831) 768-6194 or email us at financialaid@mvcs.org.

WHAT DO YOU CONSIDER LETHAL?

Common habits can become deadly habits, when done behind the wheel of a car. Consequently, putting on lip gloss or drinking a latte can quickly turn lethal.

Through a multi-faceted and engaging presentation, the group "Impact Teen Drivers" will explore the topic of distracted and reckless driving at an assembly on January 31 at 11:30am. Along the way, it will become evident why car crashes are the number one killer of teens in the United States. Parents are invited to attend.

By sharing this life-saving message, "Impact Teen Drivers" and the California Highway Patrol hope to prevent another teen from becoming a statistic.
