This form should be placed into the athlete's medical file and should not be shared with schools or sports organizations. The Medical Eligibility Form is the only form that should be submitted to a school or sports organization.

Disclaimer: Athletes who have a current Preparticipation Physical Evaluation (per state and local guidance) on file should not need to complete another examination.

PREPARTICIPATION PHYSICAL EVALUATION (Interim Guidance)

Have you ever taken any supplements to help you gain or lose weight or improve your performance?

Do you wear a seat belt, use a helmet, and use condoms?

2. Consider reviewing questions on cardiovascular symptoms (Q4-Q13 of History Form).

nation of those.

MEDICAL ELIGIBILITY FORM

Name: ____ Date of birth: ☐ Medically eligible for all sports without restriction ☐ Medically eligible for all sports without restriction with recommendations for further evaluation or treatment of ☐ Medically eligible for certain sports ☐ Not medically eligible pending further evaluation □ Not medically eligible for any sports Recommendations: I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians). ______ Phone: _____ Signature of health care professional: ______, MD, DO, NP, or PA SHARED EMERGENCY INFORMATION Medications: _____ Other information: Emergency contacts:
