learning advocate/outdoor
enthusiast/lover of people and Jesus/

I love serving others, especially youth, and I find great joy in learning. The two combined make being a Principal the best job in the world. Mother Teresa's words shape how I live and how I lead. "It is not about how much you do, but how much love you put into what you do that counts."

"I am not sure exactly what heaven will be like, but I know that when we die and it comes time for God to judge us, he will not ask, 'How many good things have you done in your life?' rather he will ask, 'How much love did you put into what you did?'"

I want to be able to say that I loved well.
