## DUAL ENROLLMENT PROGRAM

EARN COLLEGE CREDIT FOR MVC COURSES

We have partnered with Colorado Christian University (CCU) to offer dual enrollment courses to allow students to earn college credit while simultaneously fulfilling high school graduation requirements at MVC.

### HOW TO ENROLL:

1. Work with your guidance counselor to choose the appropriate dual enrollment courses.
2. To get started with CCU:
  - a. If you are new to dual credit with CCU, create a new account by registering for admission through CCU's Dual Credit Program.
  - b. If you have previously registered with CCU, you can register for this year/semester by entering your CCU ID and Social Security Number (without any dashes).
    - i. If you do not remember your CCU ID, it is included in the Registration Receipt email from last year's registration.
    - ii. If unable to locate it, email Amy Coleman ([amycoleman@mvcs.org](mailto:amycoleman@mvcs.org)) or call CCU Academy office at 303-963-3029.
3. Submit this Dual Enrollment Registration Form to Amy Coleman ([amycoleman@mvcs.org](mailto:amycoleman@mvcs.org)) with your CCU student ID number.

### TRANSFER OF CREDITS

#### Colorado Christian University

"Every major state university surveyed accepted the dual enrollment credit, as did most major private schools and all 27 Christian universities that participated in the survey." - [ccu.edu/dualcredits/faqs/](http://ccu.edu/dualcredits/faqs/)

*Students can check with the admissions department of their colleges of interest to ensure transferability.*

### TRANSCRIPT REQUESTS

Students in the dual enrollment courses will have an MVC transcript and a college transcript. It is the student's responsibility to request transcripts from both the college and MVC.

### FACULTY

The dual enrollment courses are taught by MVC faculty who are qualified to teach their respective courses.

### COURSE POLICY

The student is subject to the withdrawal policy of the issuing institution. The payment is non-refundable.
