

WILL HIGH SCHOOL STUDENTS STILL BE ABLE TO EARN COLLEGE CREDIT THROUGH MVC COURSEWORK?

Yes. Colleges and universities grant credit for IB courses and interested MVC students can pursue this opportunity throughout their high school years.

HOW DOES IB BENEFIT MY CHILD BEFORE MVC GETS AUTHORIZED?

Over the course of the next two school years, MVC teachers will receive extensive professional development designed to equip them to implement the IB framework across their current curriculum. Students will benefit from the world-class educational practices their teachers will acquire, both in independent classrooms and across subjects as an ever-increasing degree of unity is achieved.

HOW WILL IB HELP MY CHILD GET INTO A COLLEGE/CAREER OF HIS/HER CHOOSING?

Institutions of higher education are seeking students who embody the IB Learner Profile. Due to its international reputation, colleges and universities recognize that students matriculating from IB programs as lifelong learners who adapt and thrive in new environments. Statistics show that acceptance rates for IB students is often double the standard acceptance rate at elite colleges like Stanford (15% for IB students/7% overall) and UC Berkeley (58% for IB students/26% overall).

WHAT WOULD NOT CHANGE AT MVC IF WE BECAME AN IB SCHOOL?

The Christ-centered foundation upon which MVC is built would remain unchanged. Our mission of empowering students to achieve their highest potential through Christ-centered educational excellence is and will always be the filter for all learning at MVC
