FULL DAY

Horsemanship

Cassie Belmont

Students may sign up for a week long Horsemanship course through Belmont Stables. As this is not a course provided by MVC, information on the program and cost can be found by contacting Belmont Stables directly at belmonttraining@gmail.com or by calling 831-206-9707. No previous experience required.

HALF DAY COURSES

Note: All students enrolled in half day courses will take part in a morning service project at Second Harvest Food Bank as a way for MVC students to positively impact our community. Transportation will be provided. Stay tuned for more details.

MORNING COURSES

Acting

Teacher: Mr. Stiles

This interactive course will focus on the fundamentals of acting, with an emphasis on the development of imagination, self-awareness, sense memory, and improvisation. Students will engage in team building activities while enjoying a week of performance art.

Fee: None

Makerspace

Teacher: Mrs. Oliver

Makerspace is a space to do just that--make things! This course will focus on the design process and allow students to imagine, create, and construct. Students will use critical thinking as they engage in problem solving and creativity through a variety of mediums. If you like to use your mind and your hands to build things, this course is for you!

Fee: \$20

Photography/Videography

Teacher: Mrs. De Los Santos

Students will apply their creativity as they photograph and videotape to create visual art with the use of digital tools. Building photo collages, making iMovies, and enjoying photographic scavenger hunts will be part of this course. Students will also research world famous photographers and work to create images modeled after their style. Photographic prints of student work will be provided as keepsakes.

Fee: \$10

Sports Fitness

Teachers: Mr. Keathley and Mrs. Nigro

This class will introduce students to the MVC Performance Center. Students will participate in age-appropriate exercises and movements that will improve their flexibility and strength. Also, students will participate in a variety of sports depending on the number of course participants. Emphasis will be on sportsmanship, friendly competition, endurance, and strength.

Fee: None

AFTERNOON COURSES

Games R Us

Teacher: Mrs. De Los Santos

Students will have the opportunity to play a variety of board games in order to build relationships with peers and have fun in a setting of friendly competition. Games may involve strategy, critical thinking, word play, and acting. This course will focus on non-digital games; however, students will be able to choose from a large variety of popular board games or bring their own.

Fee: None

Makerspace

Teacher: Mrs. Oliver

Makerspace is a space to do just that--make things! This course will focus on the design process and allow students to imagine, create, and construct. Students will use critical thinking as they engage in problem solving and creativity through a variety of mediums. If you like to use your mind and your hands to build things, this course is for you! *Students who take Makerspace in the morning may not register for the afternoon.

Fee: \$20

Sports 101

Teachers: Mr. Keathley and Mrs. Nigro

Students will participate in a variety of sports depending on the number of course participants. Emphasis will be on sportsmanship, friendly competition, and endurance. Students will view the movie Remember the Titans to learn how a football team changed the hearts of coaches, team members, and a community.

Fee: None
