WHAT IS IB?

The International Baccalaureate is an international organization that provides a highly respected educational framework that unifies learning, instruction, and language. Beyond content, learners develop life-long skills across disciplines. IB has been adopted by nearly 4,500 member schools in over 150 countries.

WHEN DO WE ANTICIPATE AUTHORIZATION?

MVC anticipates official authorization in advance of the 2021-2022 school year. This would mean the Class of 2023 (current 9th Graders) would be the first MVC graduates with the option to pursue an IB diploma.
