

QUALIFICATIONS FOR NATIONAL HONOR SOCIETY

Membership in the National Honor Society (NHS) is based on a student's fulfillment of four requirements. Members of the sophomore, junior and senior class who meet all four requirements and complete an application will be admitted to the National Honor Society.

The four basic requirements for membership are scholarship, leadership, service, and character.

SCHOLARSHIP

Students are eligible to apply for NHS membership if they demonstrate academic achievement by achieving a 3.65 or higher.

Grade point average will not be rounded to meet the minimum requirement.

SERVICE

The National Honor Society standards require that a student:

CHARACTER

Each eligible student will be evaluated by the faculty and administration according to the National Honor Society standards for good character, which state the student of character:

- takes criticism willingly and accepts recommendations graciously
- consistently exemplifies desirable qualities of behavior (cheerfulness, friendliness, poise, stability)
- upholds principles of morality and ethics
- cooperates by complying with school regulations concerning property, programs, office, halls, etc.
- demonstrates the highest standards of honesty and reliability

- actively helps rid the school of bad influences or environment

Character will automatically be questioned by events leading to suspension from school, consistent lateness, cheating, or other offenses brought forth by a member of the faculty or administration. If someone deems a student's character not sufficient, that opinion will be discussed with the student's current teachers, counselor, or dean, and the relevant information will be forwarded to the Faculty Council for consideration.

APPLICATION AND MEMBERSHIP

Eligible students are responsible for completing an application and documenting their service/activity hours.

The Faculty Council will evaluate the requirements of scholarship, leadership, service, and character for each eligible candidate. Final selection of the National Honor Society is the responsibility of the Faculty Council.

All National Honor Society members are expected to maintain membership requirements of the National Honor Society, including GPA, and to take part in National Honor Society service projects. The Faculty Council may dismiss any member failing to fulfill these obligations. Dismissal will result in the removal of the NHS designation from school records and, depending on the severity of the infraction, possible notification of colleges to which a student applied.
