MONTE VISTA CHRISTIAN SCHOOL HOME ACCEPTABLE USE PLAN

The iPad is a powerful tool for learning, and we are excited about the possibilities for our students. While they are on campus, we have the AUP (Acceptable Use Policy) to help guide and protect our students.

We know you want the same at home; to that end, we recommend creating a family HAUP (Home Acceptable Use Plan) with your child. To help in this, we are offering a framework of a HAUP from which you can begin a discussion and customize your own plan.

DECIDE TOGETHER ON:

- ✓ family approved apps
- ✓ times and places for iPad usage
- ✓ general principles for online integrity
- ✓ how to be safe, balanced, and accountable
- ✓ specific expectations for social use
- ✓ how to respond to harmful content/messages
- ✓ how to show proper respect
- ✓ when and how purchases can be made

RECOMMENDATIONS AS YOU DESIGN YOUR HAUP:

DEMONSTRATE

- ✓ that you are not scared of the iPad – use it with your child.
- ✓ an interest in your child's online work and presence.
- ✓ an attitude of love & caring concern for your child's online safety.

COMMUNICATE

- ✓ a vision for what responsible/good use of the iPad looks like.
- ✓ a plan for accountability & random checks of the iPad.
- ✓ if the iPad should stay in shared spaces (not behind closed doors).
